We have had an interesting week...

Ms Ryan was interviewed by six police officers (AKA Willow Class) led by Inspector Tanner about a naughty bus that had been up to no good. If anyone spots the naughty bus, please let us know.

Yetis have visited Beech Class. They have acted out how a Yeti might walk and collected nouns and phrases to describe them for information report writing.

Maple Class made parachutes and carried out fair testing from the balcony to measure air resistance, making links with measurement and report writing.

Through their RE topic, Elm Class have been listening to and discussing ideas linked to 'Creation and Science: Complementary or Conflicting?' They have also been investigating fossils and how Charles Darwin used fossils to support his ideas.
